Grumpy Gills Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In a time when at least 50 percent of marriages end in divorce, the grim reality of failed and failing relationships can feel inevitable. With an innovative five-part program called The Melfox Method, Mellon presents a proactive guide designed to restore and preserve the intimacy, trust, and understanding in just about any relationship. **Environment:** Before the healing begins, you need to set the stage. In this section, you learn about the universal nemesis of healthy relationships, and how weeding it out begins with you and your partner staying on the same side. **Information:** In order to be successful at conflict resolution,...
