Introduction video for the book: bit.ly/dmrzee01A True Story One day a beloved cat named Mr. Zee hopped onto Allan Hunkins bed, walked around and sat down, just as he had done hundreds of times before. Allans heart almost stopped in mid beat. Mr. Zee had been dead for more than a week. Three days later he returned and has visited more than thirty times since. Worried he was becoming delusional Allan kept Mr. Zees visits to himself for most of two years. In spite of several direct encounters he remained officially a non-believer. Discreetly, Allan began researching how and why these extraordinary experiences are actually possible. In January 2013, more than three years after Mr. Zees death, his visits increased in both frequency and duration. Allan began documenting Mr. Zees activities and movements in real time. Mr Zee Comes Home is a fascinating story, told in an entertaining way, about a series of super natural experiences told first hand by the author, but it is much more than that. Mr Zee Comes Home is a story about the strength of the incredible bonding, connection and love we have with our pets and they have with us. For anyone grieving or about to grieve the loss of their beloved pet Mr. Zee Comes Home will give you the proof and comfort that our mutual love transcends this world. For anyone wanting to re-connect with pets and other loved ones Mr Zee Comes Home provides how this could be possible with some simple steps, which are explained in the book. Mr Zee Comes Home is a fun read. Your heart will warm to a glow as you get to know this cat-median and his favorite games like Swish...
