Reviews

Basically no phrases to clarify. It really is rally fascinating throgh reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Telegram Books. Paperback. Book Condition: new. BRAND NEW, My Animal Life, Maggie Gee, How do you become a writer, and why? Maggie Gee's journey starts a long way from the literary world in a small family in post-war Britain, At seventeen, Maggie goes, a lamb to the slaughter, to university. From the 1960s onwards she lives the defining events of her generation: the coming of the Pill and sexual freedom, tremors in the British layer-cake of class and race. In the 1980s, Maggie finally gets published, falls in love, marries and has a daughter - but for the next three decades and beyond, she survives, and sometimes thrives, by writing. This frank, bold memoir dares to explore the big questions: success and failure, sex, death and parenthood - our animal life.
