Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A year after the Arab Spring, she went back to Egypt and Tunisia where it had all started for an epilogue, The Morning After, describing the new reality - that creating a new order is as hard as ousting the old one. In this brilliant follow-up report, Wright describes the hopes and the turmoil of the region through the words of those who are living it. 336 pp. Englisch.
