Hicston High School is located on the opposite side of town from where my house is located. When the school was built five years ago there was absolutely nothing close to the location of the school building site except an old drive-in theater which was located across the street. I remember going to the drive-in with my Mom and my brother Tommy when I was two or three years old. I don t know how I can remember things when I was that young but I do. I even remember the movie that was playing. It was the Disney Movie The Absent Minded Professor with Fred MacMurray. I don t know why they were showing such an old movie at the drive-in then. but then how would I, I was only two or three years old! As the school was being constructed a number of strip malls and fast food eating establishments began to pop up near the location of the school. Thank goodness the Hicston City Planners had the foresight to allow the development to happen. I just love fast food, especially In-N-Out Burger,...
