Stories such as Turning Corners, makes us all believe that no matter where we are God can still find us. Clean, opens our eyes to the realization that even under God s care things still happen, but to bring glory to his kingdom. Waiting for God, shows that no matter how young we are we can all find peace, comfort and strength in God. My Name Is, speaks for the so called nameless, but not faceless people loss to the lure of the streets sometimes through no fault of their own. Touched, is just that letting us all know, even those who find it hard to believe that God works through people, and finally I Use to Be, the world of addiction is filled with sick and suffering people some who become so beaten down by life and the loss of true human connections that they just give up. Each story has an opening poem to reflect on feelings of despair or triumph through faith in love, power, forgiveness, and His restoring power that comes only from being touched by His mercy and grace.
