

Circles Around the Sun

By Molly McCloskey

Paperback. Book Condition: New. Not Signed; This is a true story of madness, addiction, and a sister's quest for her lost brother. When Molly McCloskey was a young girl, her brother Mike - fourteen years her senior - started showing signs of paranoid schizophrenia. By the time Molly was old enough to begin to know him, he was frequently delusional, heavily medicated, living in hospitals or care homes or on the road. In Circles around the Sun, she tells Mike's story - which is also the story of her own demons and of how a seemingly perfect family slowly fell apart and, in the end, regrouped. It is a work of extraordinary intensity and drama from a wonderfully gifted writer. Every once in a while, a writer's voice hits such a clear note, the resulting book has the kind of sweetness that makes you hold it in your hands a moment before finding a place for it on your shelves. Circles Around the Sun is this kind of book: it's a keeper. A memoir of a schizophrenic brother, written with great care and simplicity, it is one of those stories that waited until its writer was ready to tell it....
