Samuel Parris, Capt. Henry Hudson James Parton was born in Canterbury, England, February 9, 1822. When five years old he was brought to America and given an education in the schools of New York City, and at White Plains, N.Y. Subsequently he engaged in teaching in Philadelphia and New York City, and for three years was a contributor to the Home Journal. Following this appeared in 1857 the Life of Aaron Burr, prepared from original sources and intended to redeem Burr s reputation from the charges that attached to his memory. In writing the Life of Andrew Jackson he also had access to original and unpublished documents. This work was published in three volumes in 1859-60. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
