Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the city-state of Easton, an augmented reality known as Veneer has spread to every facet of daily life. It has replaced computers and televisions, books and paintings. Those who can control the veneer live in a constant state of redefinition, of the world and of themselves. Those who cannot are forced to stand by and watch the world change without them. Deron Bishop wants to live in the augmented world, but reconciling the veneer has always been a challenge. Already resentful of the one thing he could never master, Deron doesn't realize how much he needs the veneer until a violent run-in with a childhood rival robs him of his virtual sight. Now able to see the world as it truly exists, Deron must choose to abandon Easton or fight his way back to the veneered fantasy of his previous life-a fight not everyone wants him to win.
