Addison-Wesley Professional, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for More Agile Testing "I love this book. It will help to create really great testers. That's a good thing, since anyone who reads this will want to have one on their team." - Liz Keogh, agile coach, Lunivore Limited "This book will change your thinking and move your focus from tests to testing . Yes, it is not about the result, but about the activity!" -Kenji Hiranabe, cofounder of Astah and CEO, Change Vision, Inc. "To my mind, agile development is about learning-that one word captures the true spirit of what agile is all about. When I had the chance to read through their new book, I could only say, "Wow! Janet and Lisa have done themselves proud." This is not a book about testing; this is a book about learning. Their clear explanations are accompanied by great true stories and an impressive list of books, articles, and other resources. Those of us who like learning, who love to dig for more information, can rejoice! I know you're always looking for something interesting and useful; I can guarantee that you will find it here!" -Linda Rising, coauthor of Fearless Change: Patterns for Introducing New Ideas "Janet and Lisa's first book, Agile Testing , drew some general principles that are still important today but left me wondering, "how?" In this second book, they adapt those principles to today's development landscape-with mobile, DevOps, and cloud-based applications delivered in increasingly compressed release cycles. Readers get specific testing tools for the mind along with new practices and commentary to accelerate learning. Read it today." -Matt Heusser, Managing Principal, Excelon Development "An excellent guide for your team's agile journey, full of resources to help you with...
