Joyner, Michael Ben-Avie, 'In a refreshing departure from today's focus on academic testing, Comer's SDP is designed to foster the development of the whole child. In Comer's schools, children are taught not only academics but the skills and behaviors they need to be successful in school and in life' - Edward Zigler, Sterling Professor of Psychology, Emeritus Yale University Children and adolescents who enjoy healthy growth and development along six primary pathways are the students who learn well and achieve success in school and in life. But children from poorly functioning families and impoverished social networks too often find themselves without adequate preparation and support for the academic challenges that await them in kindergarten and the grades that follow. Believing that schools are uniquely situated to foster healthy development, renowned child psychiatrist Dr James P Comer and his colleagues at the Yale School Development Program (SDP) have dedicated 35 years to guiding students, schools, and educators toward academic success along the six developmental pathways of learning.
